A LETTER FROM THE DIRECTOR

November 22, 2019

Dear Mill Works Members,

It is my favorite time of the year, a time to give Thanks!

I am sending this letter to express my sincere appreciation to you for your continued patronage of The Mill Works. At The Mill Works we are well aware that it is our loyal members like you who are largely responsible for making us successful. We appreciate all that you have done and continue to do to support us as we grow into the Sports and Health Complex that we envision.

To say thank you in a more concrete way we would ask you to drop by the front desk on or before December 13 to pick up your free gift. We have put together a workout towel with a number of free passes to the facility - use them for yourself or share them with family and friends. The passes will introduce you or those you love to our new playground area, to table tennis, yoga, fitness classes, and even a great discount to celebrate a birthday party.

We are happy to have you as members of The Mill Works and we look forward to providing you with your health and wellness needs in the future.

When you come to the front desk over the next few weeks to pick up your gift please feel free to stop by my office and say hello. I look forward to seeing you.

On behalf of everyone at The Mill Works we hope you have a wonderful holiday season filled with good times spent with family and friends!

Yours with thanks,

Sandra Habe
Director of Operations
